

Mini Tap & Memory Light

A reusable tap tool for any front counter or guest table — plus a custom memorial keepsake for funeral homes. No software, no app, nothing to maintain.

Full catalog, pricing & order details: akrandall.com/print-lab.html

Works at Any Front Desk

Booking, reviews, sign-in, a menu, or WiFi — point it at what matters and reprint it yourself anytime.

Zero Added Work

No software to buy, no app to download, nothing to host or maintain.

A Modern First Impression

Replaces a messy sign, a shared pen, or a scuffed QR code with one clean tap.

FOR ANY BUSINESS

Mini Tap

\$20–25 / unit — volume pricing below

A compact NFC card or stand for the counter, table, or guest book — for any kind of business. Reprogram it yourself any time, on any smartphone, no app required.

Format	Card or small tabletop stand
Points to	Any link you choose — booking, reviews, menu, WiFi, sign-in
Reusable	One-time purchase, reprint any time
Great for	Funeral homes, salons, cafés, shops, retail & restaurants

Qty	Standard	Customized
1 unit	\$25	\$40
2+ units	\$20 / unit	+\$15 / unit
5+ units	\$20 / unit	Customization included

FOR FUNERAL HOMES & MEMORIAL SERVICES

Memory Light

5x7 — \$50 / 6x8 — \$65 — includes 1 photo panel

A backlit memorial keepsake, 3D-printed per family, with an NFC tag pre-linked to the online obituary. Delivered fully programmed — nothing for your staff to set up.

Sizes	5x7 in (\$50) / 6x8 in (\$65)
Panel	3D-printed lithophane, custom per photo
NFC tag	Pre-programmed before delivery

How Ordering Works

Mini Tap — Order in bulk and keep it on hand. Ships with a free how-to card so anyone on staff can tap-write a new link in under a minute.

Memory Light — Send a photo, name, memorial text, and the obituary link; we 3D-print, program the tag, and deliver ready to place — 48-hour turnaround.
